

High Holy Day Hunger Project – 5784/2023

Please join Community Synagogue's efforts to collect non-perishable food items, sanitary products, diapers and formula to provide nutritional and helpful support for those less fortunate. Over the past twenty years, CSR has collected 100,176 pounds (**50 tons**) of items thanks to your generosity. Feeding Westchester will collect our contributions and distribute them to more than 256 food pantries. This is a wonderful opportunity for families to perform *Tzedakah* (righteous acts).

Many thanks from the Tzedek Council and from all the people you will help.

Details for Contributions

- **Please bring non-perishable food on Monday, September 25 from 8:00 AM to 12:00 PM.**
- Baby formula, diapers and personal hygiene items are also needed.
- Please do not leave donations outside when the synagogue is closed as local wildlife devour the food.
- Do not bring glass containers or perishables.

Happy New Year - *L'ShanaTovah*
