

ENRICHMENT PROGRAM September-December 2019

Our Afternoon Enrichment program is designed to be convenient. Your child may begin on any day you wish. He/she may come all the days, three days or just one day a week. You might only need it once in a while. Lunch can be ordered Mon, Tues., Wed. and Thurs. for an additional cost. PLEASE NOTE: We have capacity constraints so your child is not guaranteed a spot. It is open on a first-come, first-served basis.

The Enrichment program is \$30.00 per day, if you sign up at least one week in advance. To insure that a space is available we strongly advise that you sign up for an entire semester. Please note: If you sign up less than 48 hours in advance, the fee is \$32.00. There must be a minimum of 6 children for the program to take place.

MONDAYS

- **LUNCH BUNCH Open to all 3's**

A simple and fun way to extend your child's day. Stay for lunch, enjoy a little quiet time and play with your friends.

TUESDAYS

- **CONSTRUCTION JUNCTION Open to all 3's**

We know that blocks and other building materials like, loose parts, provide children with the opportunity to exercise a variety of skills that help them with social, emotional, physical, and cognitive skills. In this class we will investigate, problem solving, experimentation, physics and math concepts.

- **ART WITH LAUREN Open to all 4'S**

Children will explore the techniques and works of many well-known artists such as Picasso, Monet, Van Gough, Jackson Pollok and Eric Carle just to name a few. They will work with a variety of media including a variety of paints, oil pastels, wire, clay and paper mache.

WEDNESDAYS

- **OUR WONDERFUL WORLD Open to all 3's**

In this class children will investigate, and appreciate, the magic of our natural world. We will take nature walks, make observations and collections, learn about rocks, volcanoes and animal habitats.

THURSDAYS

- **STORIES & MORE Open to all 3's**

This is a great way to include an additional literacy experience to your child's day. The children listen to a book read to them and then participate in an activity based on the story. The activities will be either cooking or a craft. This class helps children grow as listeners and make a meaningful connection between literature and the real world.

- **GAMES Open to all 4's**

In this class children will learn and enjoy a variety of oldie-but-goodie games such as Tic Tac Toe, Candyland, Chutes and Ladders, Connect-4, Twister, Charades, Treasure hunt, cards, storytelling games, and many more. We believe that incorporating these types of games into your child's play offers great learning and helps to support a number of physical and cognitive developmental skills

PICK UP IS AT 2:15 P.M ALL CHILDREN MUST BE TOILET TRAINED TO PARTICIPATE IN THE ENRICHMENT PROGRAM.

Important Note: There are no transfer, make-up days or substitute days allowed for illness, absence from school or cancelation of school due to inclement weather. Switching of days is prohibited.
