**F2GO**
Food to Grow On

### ABOUT

Food 2 Grow On was founded in December 2011 by Nancy Hoffman, who while volunteering at a local school's holiday gift drive became exposed to the reality of child hunger in her community. She heard stories about children who would not eat over the weekends and some whose only meals would be the two provided at the school cafeteria. She began bringing bags to the school on Fridays filled with nutritious, child-friendly food items. She enlisted friends to help with her cause and soon gained the support of local organizations, community leaders, individuals and volunteers. F2GO is now a project supported by the Rotary Club and supplies over 130 bags a week to local children in need.

### HOW TO HELP

Many children rely on school cafeterias for breakfast and lunch. In some cases, these are the only two meals a child will eat each day. Every Friday afternoon during the school year, children are discreetly provided a bag filled with nutritious food items to ensure they have something to eat over the weekend. Please join us in our effort to help children at risk of hunger.

- Donate money to purchase food items
- Donate food items
- Host a Food Drive
- Sponsor a Tuesday Night Dinner

When we pool our resources, each giving a little, we can make a big difference!

### DONATE

Monetary donations are used to purchase food items for our bags. The program costs a mere $8 per bag.

- $25.00
- $75.00
- $125.00
- other amount

Please make checks payable to:
