

## High Holy Day Hunger Project – 5781/2020

Please join Community Synagogue's efforts to collect non-perishable food items, sanitary products, diapers and formula to provide nutritional and helpful support for those less fortunate. Over the past nineteen years, CSR has collected 94,812 pounds (**47 tons**) of items thanks to your generosity. Feeding Westchester will collect our contributions and distribute them to more than 256 food pantries. This is a wonderful opportunity for families to perform *Tzedakah* (righteous acts).

Many thanks from the Tzedek Council and from all the people you will help.
